RELEASE TIME ASSISTANCE

Release Time is a necessary part of the success of teachers and family/group providers participating in the T.E.A.C.H. Bachelor and Associate Degree program. It is paid time away from work for students to go to class, study or attend to personal errands. T.E.A.C.H. will reimburse the center or family/group provider 75% of the valid release time hours at the rate of \$10.00/hour (this equals \$7.50 per hour).

The T.E.A.C.H. EARLY CHILDHOOD® project, now in its second decade, is flourishing throughout the United States as more and more states recognize the benefits of a well-educated, well-compensated early childhood workforce. This national project is an effort to improve the quality of child care by focusing on scholarship, education, commitment and compensation.

T.E.A.C.H. EARLY CHILDHOOD® SOUTH CAROLINA provides scholarships for directors, teachers, and family/group providers working in child care to complete course work in early childhood education. In 2001, the Center for Child Care Career Development (CCCCD) established the Teacher Education and Compensation Helps (T.E.A.C.H.) Early Childhood® project to:

- reduce turnover rates,
- increase the education of child care providers,
- combat poor teacher compensation,
- and improve the quality of child care.

APPLYING TO T.E.A.C.H.

T.E.A.C.H. accepts applications on a rolling basis. Students are encouraged to contact their local college/university to ensure that classes are available before applying. Completed applications will have attached a paystub or statement verifying income that confirms the number of hours worked per week and the hourly wage or salary. Associate and Bachelor Degree recipients will also include confirmation that they have applied for financial aid. Students can apply for financial aid at www.fafsa.gov.
